

LIFE ALIGNMENT

A SYSTEM OF ENERGY HEALING and TRANSFORMATION

International Life Alignment Web Site: www.life-alignment.com

Life Alignment is a system of energy balancing or vibrational healing that has been developed by Jeff Levin and taught around the world since 1991. Under the umbrella of Life Alignment, we teach courses in: our Intro Class, Body Alignment Technique, Vortex Alignment, Home Alignment and Life Purpose Alignment. This practical and simple system accesses the body like a computer to identify and energetically correct the causes of imbalance in the body. The use of Vortex cards takes this to a deeper level by balancing homes and businesses through addressing issues like EMFs (electromagnetic frequencies) and geopathic stress.

This practical and simple energy healing technique can be used to support yourself as a form of self-care and can be applied to support the care of others. It is a gentle, yet powerful means of enabling one to further his/her self-empowerment and transformation.
