Two One-Day Intensives with Dr. Jeff Levin:

From Chaos to Coherence: Elevating Consciousness in this Transformative Time

These events are open to Life Alignment students as well as the public.

**August 25 and/or August 26 (from 9:00am - 5:30pm)
Santa Monica, California**

Dr. Jeff Levin, DNM, is a pioneer in the field of energy medicine, with four decades of experience as a healer in North America, Europe, South Africa, Australia, the Middle East and around the world. As the founder of Life Alignment, a unique system of healing and transformation currently taught in 23 countries, Jeff spends most of the year traveling the globe to teach his work. We are thrilled to announce that Jeff will be in Colorado to hold a one-day intensive on August 16, 2018.

During our time together, Jeff will be using the Life Alignment system and tools in a group setting to help participants better maintain their equilibrium during these times of powerful change and personal challenge. We hope that you will be able to join us for this transformative workshop designed to foster healing individually, collectively, and globally.
