

**LIFE ALIGNMENT**  
 Developed by Dr. Jeff Levin, DNM

## **MASTER CLASS with Dr. Jeff Levin**

This event is open to Life Alignment students who have completed Life Alignment Module 2 or higher

**August 22-23, 2018 (please note the times below)**  
**Longmont, Colorado - near Boulder**

The purpose of a Master Class is to dialog with Jeff about any questions you might have about vibrational healing in general, Life Alignment, how it works, what is behind it, how it came into being etc. This will include going over the balancing procedure as well as any of the specialized priorities that you have learned but want to review. As Jeff gets to a sense of what the group needs then he will engage with the group in a discussion or demonstrate the procedure to address particular questions. As in all of our classes, each of the demonstrations will be a group balance.

This will be a time together to allow your Life Alignment practice to go to a much deeper level. A way of looking at this is that the Master Class will fast track your development as an energy worker and help you create greater depth in your practice of the Life Alignment system of energy healing and transformation.
