

BODY ALIGNMENT TECHNIQUE

Module 2 Boulder Colorado

January 20-23, 2017

International Website: www.life-alignment.com
U.S. Website: www.life-alignment.net

Body Alignment Technique is a practical and simple system that accesses the body like a computer to identify and correct the energetic causes of imbalance in the body. This assists in restoring an experience of health and well being. Jeff Levin, nutritionist and healer developed this breakthrough approach through his 30 years of experience and research in vibrational healing. The upcoming workshop will be taught by David Pasikov, the U.S. coordinator for Life Alignment. David is a past president of the Colorado Association of Psychotherapists and uses Life Alignment in his private practice. This practical and simple energy healing technique can be used for self care and the care of others. It is gentle, yet powerful, enabling one to further his/her self-empowerment and transformation.

Body Alignment Technique has been known to:

BALANCE the physical structure, organs, glands, body systems, meridians and chakras
