**Body Alignment Technique** is a practical and simple system that accesses the body like a computer to identify and correct the energetic causes of imbalance in the body. This assists in restoring an experience of health and well being. Dr Jeff Levin, an architect, nutritional consultant and healer, has been working with Energy Medicine for the last 30 years and has developed the Life Alignment systems of healing, as well as the revolutionary Vortex Technology to access and facilitate the healing of the root cause of dis-ease. The upcoming workshop will be taught by Jeff Levin, the founder of Life Alignment.
