U.S. Website: www.life-alignment.net

Vortex Alignment is a part of the Life Alignment system of healing developed by Jeff Levin which utilizes energy vortex points on the body to access the energy fields of organs, glands and body systems. Balancing is enhanced through using Vortex Cards. This class will be taught by David Pasikov, the U.S. coordinator for Life Alignment, www.pasikov.com

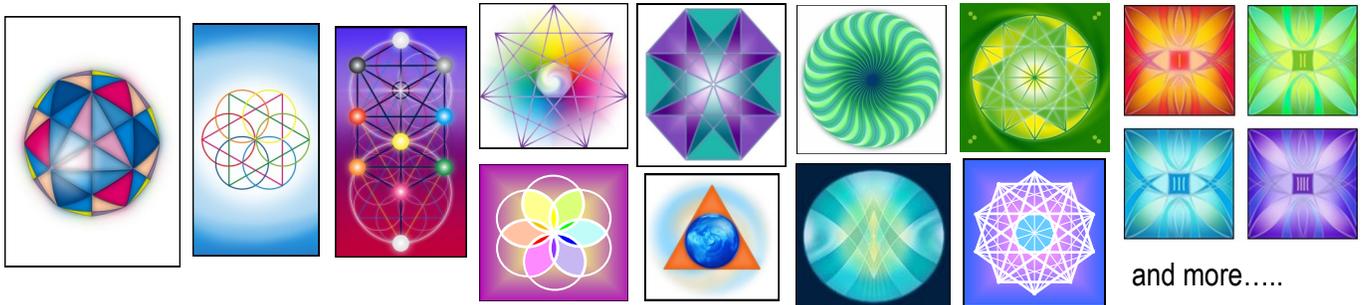

Vortex Cards have a profound healing effect on the body and have been shown to help:

- Align the structure of the body, relieving structural pains
- Balance chakras, meridians and subtle bodies
- Balance the energy fields of organs, glands and body systems
- Strengthen the immune system
- Relieve pain
- Raise the frequency of the subtle bodies
- Oxygenate and detoxify the blood
- Release emotional stress

Vortex cards have also been found to assist in shielding us from environmental stressors such as:

- Electromagnetic radiation from cell phones, computers, pagers etc.
- Geopathic stress (underground streams, lay lines, Curry and Hartmann grids etc.)
- Pollution in our water, food and air
- They also foster a high frequency in our living and work environments.

Learn to offer vibrational healing simply and effectively using **Vortex Technology!** Here are some of the Vortex Cards.
