**Life Alignment** is a practical and simple system that accesses the body like a computer to identify and correct the energetic causes of imbalance in the body. This assists in restoring an experience of health and well being. Dr. Jeff Levin DNM, has been working with Energy Medicine for over 40 years and has developed the Life Alignment system of healing, as well as the revolutionary Vortex Technology to access and facilitate the healing of the root causes of dis-ease. This course will be taught by David Pasikov. David is a past president of the Colorado Association of Psychotherapists and is the U.S. Coordinator for Life Alignment.

This practical and simple energy healing technique can be used for self care and the care of others. It is gentle, yet powerful, enabling one to further his/her self-empowerment and transformation.
